## Make a Donation Make a Difference

Would you like to help preserve our beautiful Fountain Hills Desert Botanical Garden and trails? Here's how!

- Donate funds directly to support the Garden
- Purchase a plaque to honor a loved one
- Join as a member and share your talents with our group to help with upkeep on our trails

The Fountain Hills Desert Botanical Garden meets the 3rd Thursday at 10:00 a.m. every month from October through April.

For details and more information,

## Creating the Garden

Fountain Hills Desert Botanical Garden was founded by Jane Haynes in 1975 as a wildlife preserve and garden. The Garden is 8 acres with elevation from 1696 to 1800 feet. It is now maintained by the Fountain Hills Desert Botanical Garden members.

The Garden is located on Fountain Hills Boulevard, between Emerald Drive and Kingstree Boulevard. The Emerald Wash is part of the Garden.

## Educational Destination

On December 14, 2006, the Botanical Garden Committee and The Town of Fountain Hills agreed to restore the original garden trail as an educational and hiking destination.

## In the Garden

Sonoran Desert plants are identified along the half mile meandering trail that has been constructed on the desert slopes. The trail allows for interesting views of rock formations, desert flora, animal life and an abandoned P-Bar ranch campsite next to the April 25, 1941 constructed dam wall.
